These Dyes Colorize perfectly for family use. They are perfectly adapted for all purposes, and have been perfected at great expense, after many years of study and experiment. The goods are ready to wear in from 10 to 15 minutes, and do not require any special treatment. You can use the dye with perfect success.

GREY ECONOMY

SAVING OF MONEY

In every family there will be found many articles of wearing apparel which could be dyed, and made to look as new. The goods are ready to wear in from 10 to 15 minutes, or out of style, are thrown aside. By using these Dyes they can be changed to any color or shade in a very short time. The goods are ready to wear in from 10 to 15 minutes, and do not require any special treatment. You can use the dye with perfect success.

These Dyes Colorize perfectly for family use. They are perfectly adapted for all purposes, and have been perfected at great expense, after many years of study and experiment. The goods are ready to wear in from 10 to 15 minutes, and do not require any special treatment. You can use the dye with perfect success.

If they store where these Dyes are sold, can be seen, samples of each color, on silk and wool.

All who have used these Dyes, can give the most convincing evidence of their value.

Nonparel testimonials can be found from ladies who have used these Dyes, and who can give the most convincing evidence of their value.

The real value and usefulness are found upon one trial.
